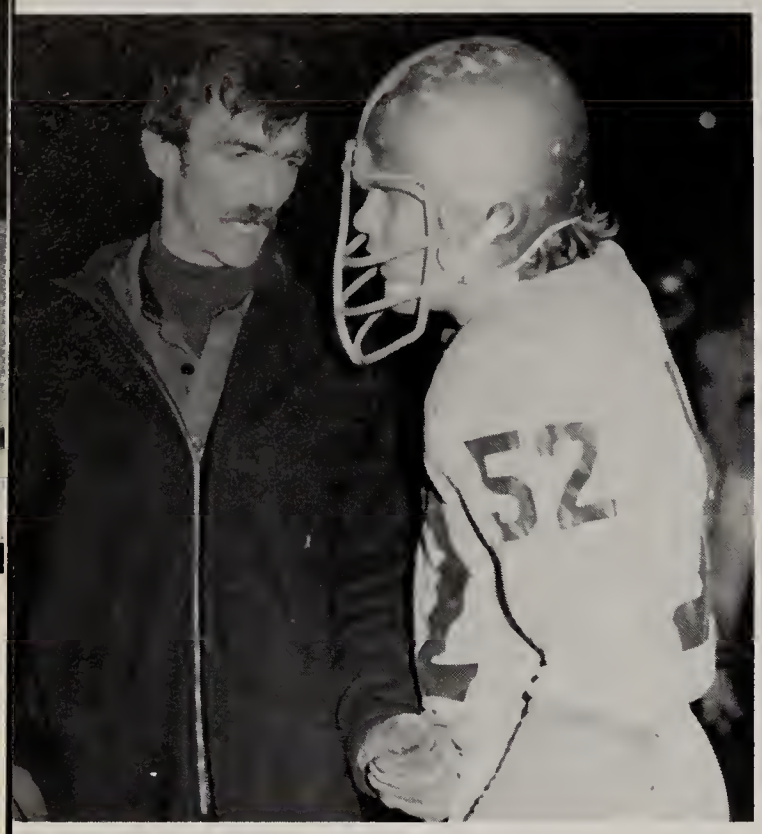
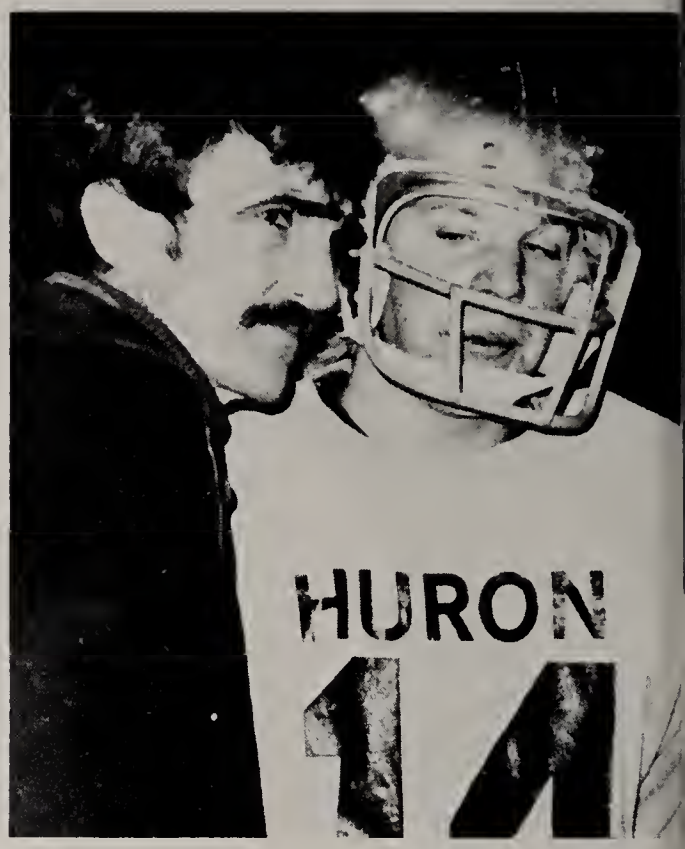
Jay's Last Season





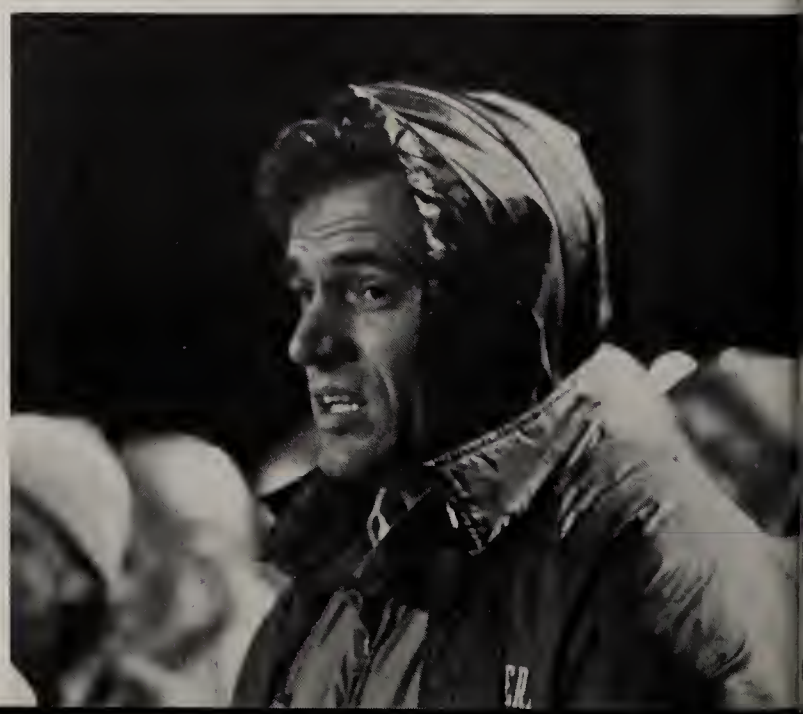
Jay ended a brilliant coaching career of 19 years in Ann Arbor this season. Through his years of coaching Jay produced some of the finest football teams the state of Michigan has seen. Mastering the strategy and fine points of his football program, Jay was selected Coach of the Year after winning the state title. Center; Jay talks to assistant coach Askew who's in the press box. Left and Right; Jay relays messages and strategy to his players.

Assistant coach Morris Abrahams kept the spirits of the team high.

Jay dicusses an injury riddled team with team physician.

Jay, with Tom Weinman who Coached the offensive line.

Left; Gene Myrkle becomes the new trainer and keeps the players on the field. Right; Dr. James Herbertson keeps the team healthy.

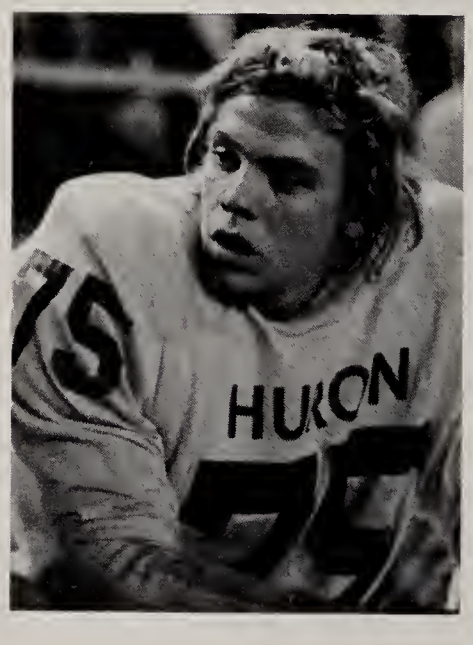


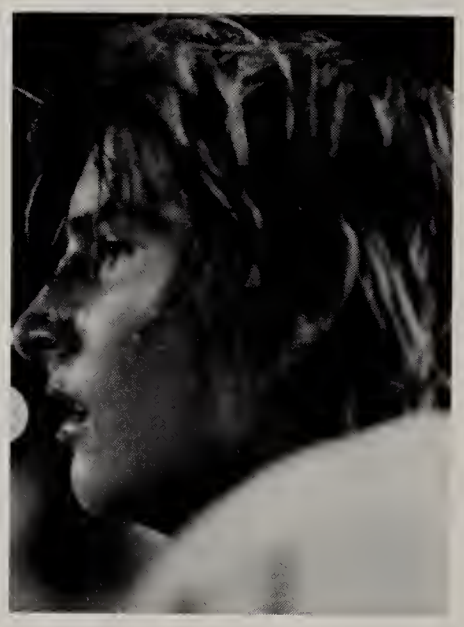
Left to Right: Jack Mortell 52, Jim Henderson 40, Reggie Jones 30, and John Pelkki 20. Hurons four captains start both ways.

The River Rats offense was stunned when running back Reggie Jones was lost before the season started. Later, injurys to both starting senior guards Pete Bodycomb and John Payne caused the team to slow down tremendously.

Rat ball carriers usually met with plenty of company. Left: Moody quarterbacked the Rats through some of its better games. Although the passing attack was weak, Moody often ran and blocked with great determination. When Moody wasn't carrying Pelkki was and ended up Hurons leading rusher.

River Rats take the field and set up on defense, led by Jack Mortell.





Left to Right: John Payne was moved to defensive line for Everett and proved strong before sustaining an injury. Boylan Preston and Norbert Mueller started on the defensive line all year and Jeff Barhoff started in the defensive backfield.

The agony of defeat and the estasy of victory.

Front Row, Left to Right: Boylan Preston, Warren Brown, Tom Peterson, Norbert Mueller, Co-Captains, Jim Henderson, Reggie Jones, John Pelkki, Jack Mortell, Peter Bodycombe, Chris Crane, John Payne, Scott Peden, John Arndt. HOMECOMING VICTORY WAS SWEET!

Best J.V. "Team" Ever

Under new head coach John Marshak the J.V. Rats posted the best record ever by a Huron J.V. team.

With a 3-4-1 record, Coach Marshak said, "any game could have gone either way, we were never blown off the field." He also pointed out that every game produced "a different standout. It was always a great team effort." Marshak mentioned Jim Holmes and Mike Blalock along with Bill Peterson, this years Captains and MVP respectively as doing a good job.

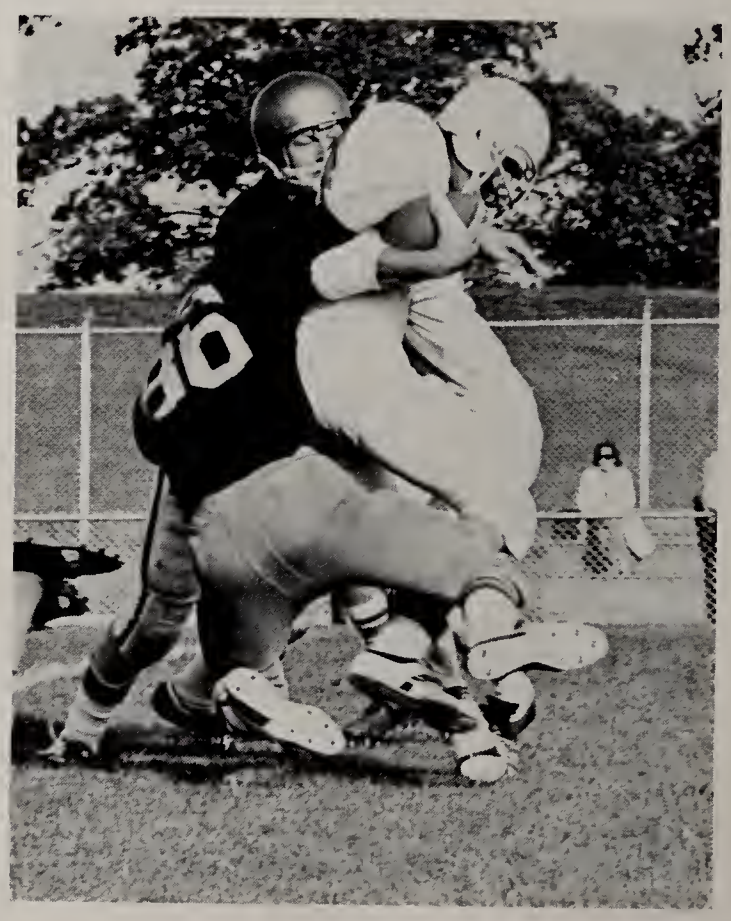
Fifth Row: Randy Smith, Rick Raley, Mark Kelly, Bob Daly, Bob Urban, Everett Jones, Ron Hegenauer, David Behnke.

Coach Kent Overbey was very positive about this years freshmen football. "It's the best yet, "commented Kent. Although key injurys held the team to a disappointing 2-4-2 record, Kent felt highly of his teams effort and mentioned many names for a good future.



Huron Cheerleaders Are Creative and Spirited

With Ms. Pat Ashford supervising, the varsity cheerleaders came through this year in flying spirits. From many hours of hard work the girls put together two great pep assemblies and beautiful routines for Friday nights.

Keeping the Rats hopes high were, (top left), Pam Stegath, JoAnn Olney, Carol Rhodes, Janice Stevens, Linda Shumaker, Daniela Crosby, Anna Vong, Diane Stone and Pat Gillespie, (below).

Cross Country Retains SCC Title For 4th Straight Year

The Cross Country team continued it's SCC dominance for the fourth straight year.

Performances such as Mark Fasters Dual Meet Record, Donny Hubbards comeback to place high in the State Meet along with the Conference Championship highlighted the season.

As well as the season did go, Ryan was reluctant to say it was a "good season for our team. They never fully realized their potential." Ryan also said next years team is loaded with potential and should prove to be exciting.

Water Polo Undefeated

Coach John Pheny had nothing bad to say about this years water polo team. "The guys are great, they played strong all year."

Going through the high school season undefeated, Pheny said winning the state title with five sophmores has to be the thing that stands out in his mind the most.

With a strong group of underclassmen, Pheny feels secure about the seasons to come.

Tank Rats Reign Supreme In SCC For Sixth Straight Year

This years Tank Rats finished on the top of the South Central Conference for the sixth straight year.

Despite an average season of 11 and 4 in dual meets, the Tanks Rats produced a state champion. Jim Stewart broke the state record in the 500 yard free-style. Two unranked relay teams pulled through with outstanding performances to place in the state meet. Jim Kesslering and Paul Griffith placed in individual events in the state meet also.

"We should be strong again next year," said coach Pheney, "our graduating class is small along with a returning state champion."

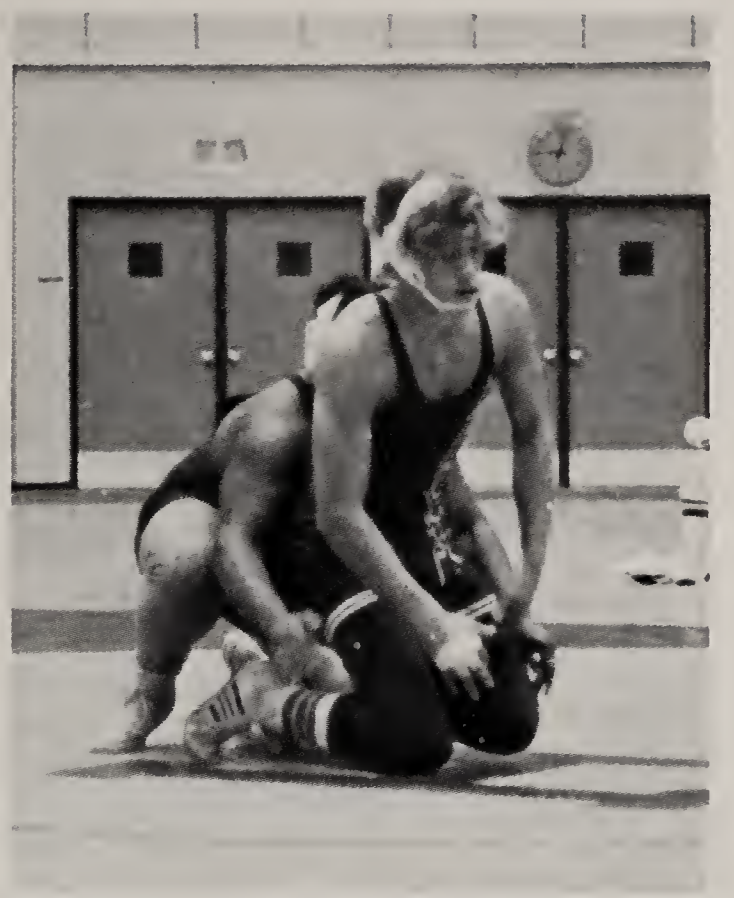
Huron Wrestlers Have Best Season Ever



Mat Rats Are Young

With a squad composed of only three seniors, the Huron Mat Rats turned in its best season yet.

Under new head coach Ernie Gillum, the Rats won their first big invitational at Springfield. Defeating Pioneer, the only losses suffered were to the four top teams in the state.

"It was a great season. With such a young team they were quite impressive," commented coach Gillum. Mark Messer, a sophmore, placed fifth in the state meet. Coach Gillum also pointed out that co-captains Rick Cocco and Jeff Hurst along with Warren Brown did an excellent job in helping the team.

Front Row, Left to Right: Co-Captains Rick Cocco and Jeff Hurst. Bat Rats Bid For SCC Title

A change has come to Huron baseball. This year's varsity team is in the race for the conference crown.

The Bat Rats went through half of their regular season with only one conference loss. Led by outstanding pitching performances by both Scott Peden and David Spriggs, Huron has prevailed over Pioneer and hope to go on to a conference championship.

Head Coach Jess Kaufman explains, "We learned this year what it takes to win. It's not only physical ability. You need desire, hustle and the ability to think over situations."

Front Row, Left to Right: Jeff Barhoff, Chris Webb, Kip Poszywak, Tom Peterson, Kim Marti, John Bertz. Debaters Talk Their Way To Victory

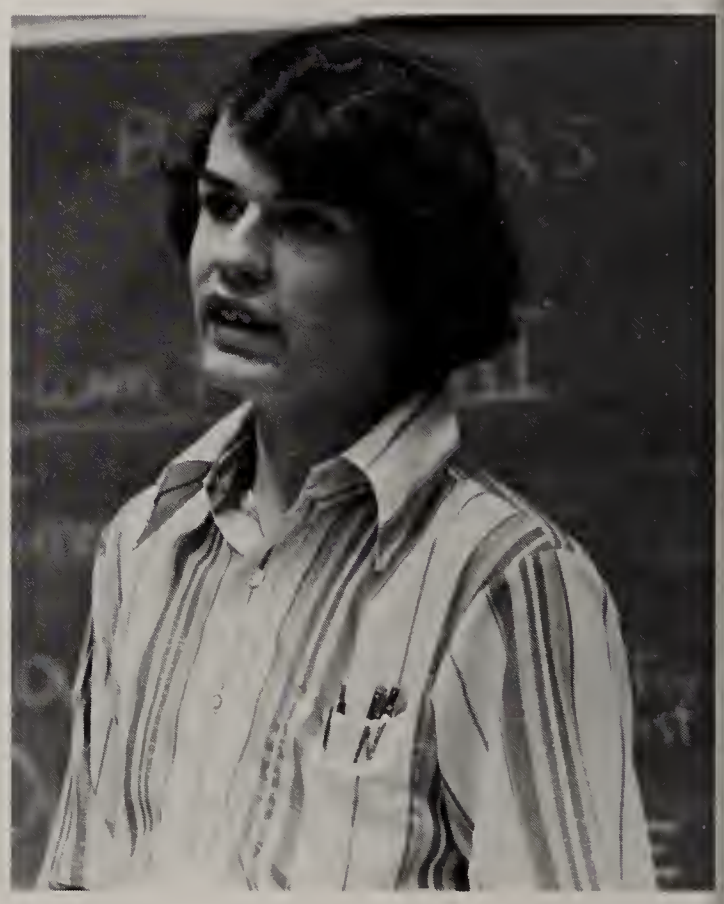
First Row, Left to Right: Becki Ohanian, Kit Tilly. Second Row: Margery Pierce, Claudia Bailer, Kathy Hall, Dale Dreffs. Third Row: Matt Kopka, Debby Mueller, Dean Matcheck. Fourth Row: Mr. Fisher, Wes Wilson, Julie Griffith.

The debate team had a successful year during 1973-74. During their season they participated in eleven invitational tournaments between September and January. Further, the novices competed both at the Regional and State Finals (finishing fourth in the State) and the varsity team qualified out of Districts to the State Tournament. In addition to competing in tournaments the Huron team hosted more than thirty other schools (comprising more than one hundred teams) at its own invitational on October 20, 1973.

However, Saturday invitationals were not the only competition for the debaters and the other for Novices. The Novice team finished in second place in its league; and a Huron debater was one of the top debaters in the JV-Varsity league in which Huron finished in third at both levels of competition.

The season saw Huron win fifteen invitational trophies for individual or team performance as well as two plaques for excellence in State competition.

In looking forward to next season, the debaters are optimistic as there will be eleven returning debaters. The six seniors who will graduate this year contributed much to the program and will be missed next year. The seniors on this year's squad were: Walter Kincaid, Kathy Hall, Debby Mueller, Kit Tilly, Pennie Rostow and Dean Matcheck.



Theatre Guild Performs Two Successful Productions

The stage of Huron High was graced this year with two productions performed by it's Theatre Guild Players. In the fall the audiences laughed at the antics of "See How They Run" and in the spring they were saddened by the emotion of "Flowers for Algernon."

Both plays were under the direction of Ms. Judith Burnor, Theatre Guild's teacher sponsor. The cast was chosen from among Huron's many talented people who flocked into tryouts. You do not have to be a previous member of Theatre Guild to try out any obnoxious ham will do.

But seriously folks-Theatre Guild is always looking for undiscovered and unnoticed talent. If you feel you fall into that category (and survived the fall) come and tryout next year. Theatre Guild will undoubtedly maintain their fine reputation by bringing enlightened culture to the dim halls of Huron.

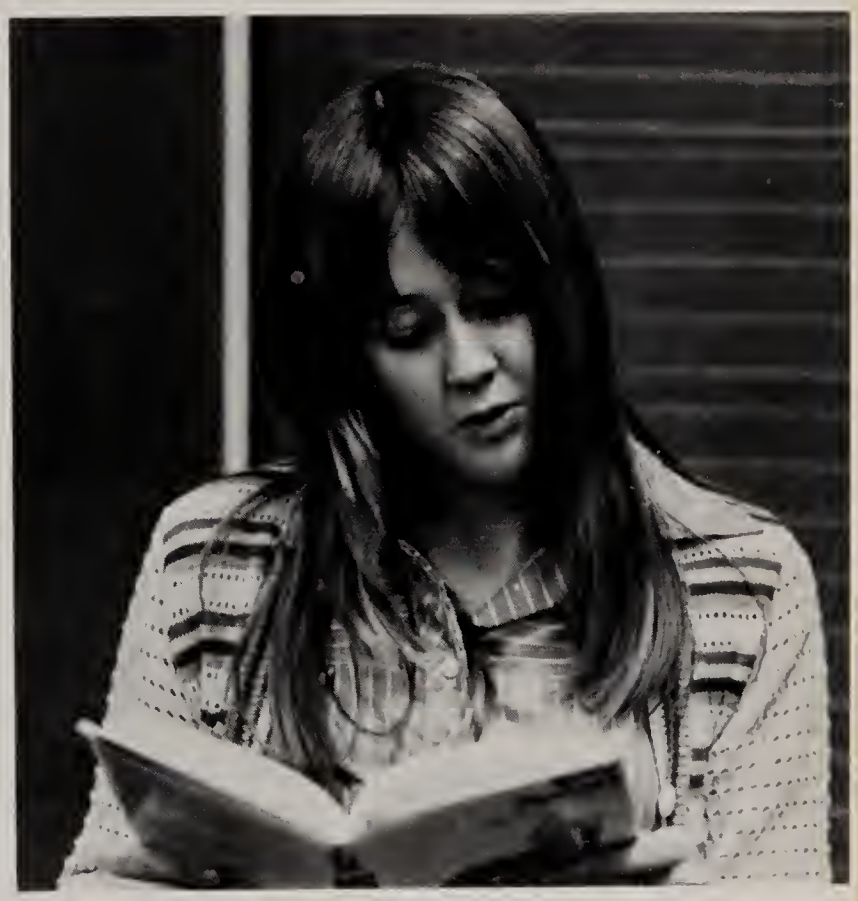
Forensics. . .what's that? Every year as spring rolls around a group of students get together with Mrs. Kregar to display their talents in interpretive reading, oratory, radio, and extemporous speaking. The team prepares for several months after school and at Saturday invitational tournaments for the state-wide competition in late spring. This year the team had an enthusiastic turnout and carried away many trophies from Saturday tournaments. In the midst of the state-wide competition, a good showing is being made by Huron's Forensics team.

Ranging from sophmores to seniors, the membership not only did well in competition but enjoyed themselves in doing so. It was a great year for the team!



Full Circle Produces Quality

The Full Circle is an annual publication consisting of prose, poetry, arts and photography. Mr. Stringer is the advisor of the student group. Full Circle members also conduct the annual creative arts Festival in which students are invited to display their talents.

School activities, editorials, Ann Arbor happenings, national issues, and creative contributions cober the pages of Huron High's school newspaper, the Emery. This monthly publication operates from a necleus of ten or twelve people with additional help from the journalism classes of its advisor, Mr. Spencer. Nancy Gage was editor of the paper first semester and Ron Sell took over second semester. The major areas of concern were found on the editorial page where students commented on overcrowding, graduation requirements, and student government.

The highlights for the staff was a trip to New York City with the National Scholastic Press Association where they attended a lecture given by Walter Cronkite. All in all it was a very good year for the Emery, and its staff.

1974 Enthymion Staff

The yearbook staff was hard at work again this year, grinding out another pleasing pictorial.

The yearbook is conceived with slaving devotion by several editors, one for each different section of the yearbook, and several staff members.

They work for months trying to meet each deadline, with inspiring guidance, and help from their teacher sponsor, Mr. James LaGoe.

The yearbook tries to capture as many different people, events, and organizations as possible throughout the school year. Its an organization consisted of much teamwork, headed by the editor-in-chief, Betsy Bacon, and Jeff Pelz, head photographer.

Girl's Athletic Club Active This Year

The Ann Arbor Huron High School Girl's Athletic Club (G.A.C.) is open to any student who actively participates in one or more G.A.C. sponsored sports:

Basketball, Competitive Swimming-Diving, Field Hockey, Gymnastics, Softball, Syncronized Swimming, Tennis, Track and Field, Volleyball, or Waterpolo.

An executive Board made up of Laurie Murphy, G.A.C. President, Pattie Lawson, Vice-President, Maryanne Cochrane, Secretary, and Billie Engle, Treasurer, with Ms. Pat Kollen as the faculty Advisor, governs the 1973-74 Girl's Atheletic Club.

At the annual G.A.C. Spring Banquet, awards such as pins and letters are presented to the atheletes on the basis of their participation in sports.

The goal of the Girl's Atheletic Club is to give each female athelete at Huron the opportunity to participate in the sport or sports of her choice under qualified coaching, and to learn firsthand how sports can enrich one's life.

Languages Popular At Huron

French Club

The French Club, open to all French students, this year went to such places as The Detroit Art Institute and WCC. This year's sponsor of the Huron French Club is Mr. Karamanoukian.

German Club

There is no official membership to The Huron High German Club. Any student studying German is considered a member. There were no planned activities but many of the German students went to Germany during spring vacation. The faculty sponsor is Mr. Piekarek.

Spanish Club

Any Spanish student is an official member of the Spanish Club. Although there were no planned activities some students went to Mexico City and Acapulco during Spring vacation.

Students Have A Variety of Interests At Huron

Russian Club

Any Huron student taking a Russian class is a member of the Russian Club. The club's sponsor is Mr. Ambrazevich.

Botany Club

The Botany Club met regularly after school in the greenhouse to study different plants. They also planted tulips along the front of Huron during their beautification program.

Timers Club

The Timers Club helped out during the seasons swim meets. They timed and also sponsored fund-raising projects throughout the year for the team.

Huron's Homecoming Court.....1973

Huron's Homecoming Committee almost decided not to have a queen because it created to much hassel among the girls on the court. They wanted the whole court to represent the school. Many felt that, that would be breaking the tradition, so Huron had a queen, who was selected by the votes of the student body.

This year's homecoming court consisted of three seniors, two juniors, two sophmores and two freshmen.

Senior - Faculty Hockey Game

Th is year the Senior Fundraising Committee came up with a good way of raising money. It was to have a hockey game between the seniors, boys and girls and the faculty, men and women.

Two games were played, the first of which ended at a 4-4 tie and the second in which the faculty won a 6-4 decision.

Middle Row: Mr. Ochs, Rick Tasch, Mr. Shields

Bottom Row: Vicky Walker, Mr. Bowker.

Both hockey games seemed to be very profitable for the seniors. We hope that these hockey games will continue as a tradition to be put on by the seniors as a fundraising project.

What do schools, mental hospitals and prisons have in common? Apart from their institutional nature they all enjoy mime. This is the art of non-verbal communication. Huron's first mime troupe presented a taste of mime in the creative arts festival and skits in the non-talent show. The troupe is open to all. This years troupe included students and teachers.

Black History Assembly

I Am...We Are

"Most people were very impressed, gave many glowing compliments and I thought the kids deserved them."

This year's Black History Assembly was titled "I Am. . .We Are." It was a tribute to well-known black people from the past. This year there was also a dance assembly put on by the black students.

Monday started it all with a Speakers forum featuring such people as John Lochhard (artist), Raymond Chauacey (Field Rep. for Human Rights Dept. of Ann Arbor), Mike Rogers (Admin. Asst. to City (Admin.) and others.

The forum went through Tuesday. Wednesday was Black Awareness Day.

Thursday there was a Dance Assembly. The last day there was an Assembly put on by the Black Students of Huron.

Students Show Talents At Creative Arts Festival

The Creative Arts Festival is always sponsored by the *Full Circle* every year. The teacher in charge was Mr. Stringer with students Paula Fader and Gary Kicuchi acting as co-directors.

The purpose of the festival is to let students perform their many different talented abilities such as poetry and prose readings, dances, good food, computer demonstrations, student films, skits, short plays, art exhibits, photography. And the jazz band and chamber orchestra also contributed their musical talent.

This year there was something new: the Junior Class had a dinner and the Senior Class sponsored a dance after the festival.

Theatre Guild Presents. . .
Flowers For Algernon

This year the Theatre Guild worked very hard to produce two plays. The second of which was Flowers For Algernon. It was very successful. Congratulations on a fine year Theatre Guild.

Non-Talent Show
A Big Success!

This year's Non-Talent Show, sponsored by the Senior Fund-raising Committee, was a smashing success.

Ths show consisted of dancing, comedy skits, singing (Jay Stielstra topped this), and some great rock bands, not to mention some very professional mime.

The biggest highlight of all was the "Mr. River Rat" contest. Competing for the famed title were John Nordlinger, Moe Abrahams, Tom MacKenzie, Bob Ochs, and David Stringer. The winner for '74 was Moe Abrahams, an avid and deserving Rat.

Meyers Has Dedication

Meet Mr. Meyers. I am sure many of you are saying who is he? He is our principal.

If you are not aware of this, no matter what grade, put the blame on yourself, not him. All students have had their chance to meet and talk with Mr. Meyers at an introductory assembly at the beginning of the year. It is just that many did not take advantage of it.

Mr. Meyers arrives at school at 7 in the morning and does not leave until about 5 in the evening. He is often here on Saturday and Sunday. His day is filled with interviews with class principals, counselors, teachers, students, and parents. He commented that it was not unusual to make several trips to the administrations building in a normal day.

Mr. Meyers says he is definitely aware of the lack of communication with students and it does bother him. Yet he expressed the fact that it is a problem that always becomes apparent in a large, over-crowded school such as Huron, but he is always trying his best and hopes that next year the school's population will be down by a few hundred.

Yet he enjoys his job as principal, watching Huron progress since the opening of the school in 1969. Prior to this he has had work with teaching chemistry and being class and assistant principal in other areas of Ann Arbor.

Asked if he has interest in a particular subject or hobby his reply was "just school". Now that is dedication!!!

FATCH

In the Ann Arbor School System for 7 years, 5 at Huron, ex-speech teacher and trainer, Mr. Robert Fatchett, is now the ninth grade Class Principal. He is now responsible for 600 freshman. Currently completing his Masters Degree in Administration, Fatch certainly is well qualified for the job.

Huron's counselors have devoted much time this year to the establishment of a Career Education Center.

The Center design features unique furnishings and display boards as well as complete utilization of the available space.

Washtenaw Community College architectonic students helped with the construction, and funds were provided through the office of the Ann Arbor Public Schools Director of Occupational Education.

Career Info available in the Center includes job opportunities, required training, wages, and working conditions in many areas.

Secretaries: Behind The Scenes

Huron has a total of seventeen secretaries who do much more than most of us realize.

They're the ones that prepare and send out grades to 2,400 students; keep track of attendance; and handle communications. Daily announcement sheets and other info are always available at the general office sports schedules, maps, etc. can be found at the sports office by the gym, and so on.

These are only a few of the things the secretaries do to keep everything organized and running smoothly.

Librarians: What Would We Do Without Them!

(Left to Right) Ester Valvanis, Tatiana Gedrovics, Ruth Merryman.

The library has a new policy this year to discourage such problems as people talking, books being switched around, and books being taken without being checked out.

Students are now required to present their green and white Huron I.D. cards before entering the library.

This can be a hassle but it has cut down on noise, making the library a quiet place to study—when you can get in.

From Shakespeare. . .

'I like the freedom of independent teaching, but there is a lack of communication between teachers and students.'

Tatiana Gedrovics

'It's easier to deal with kids when you realize that they're trying to "deal" with you too. The biggest compliment comes when a student decides that you're not half bad as a teacher, and decides to call you a friend.'

There have been several changes in the math computor program with the switch over to the Washtenaw Intermediate Time Share System.

Huron now has two phone couplers which should speed up the waiting line for computor use. The language is basically the same, with some minor changes from last year.

Over 22,000 Michigan High school students took the First part of the Michigan Mathematics Prize Competition test. Of these, 900 qualified to take the second part, and only 100 qualified for the finals. Among the 100 were six Huron students—and the best in the state, David Lampert.

Four students from Huron High received honorable mention certificates, Joyce Chu, David Laurance, Gary Kikuchi, and Richard Neidhart all proved worthy of this highly esteemed prize.

the music takes off
from his silver flute,
drifting, gliding,
clinging to the breeze
with its silver threads,
the image of his music glistens
like a newborn spider web
dewy in the sun.
it slows,
hovering to pick up
the hitchhiking milkweed fluff,
then sails on,
carried by the current
of the wind inside him.
the image of his music flows on,
gushing at last
into the eager ocean of my mind.

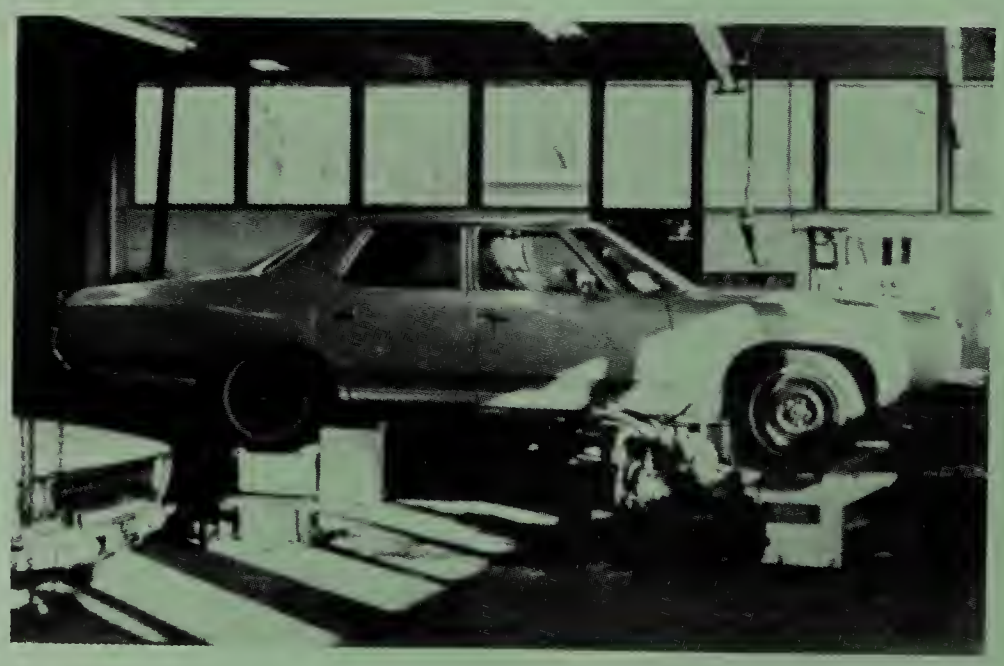
Auto Shop Program Expanding

During Christmas vacation, the Auto Shop Dept. recieved a 1973, 454 Chevy Caprice Classic free of charge. The car, with 3,000 miles on it, was used as a test car and by law cannot be driven on public roads after completing the tests.

So it was towed in and is now being used to teach air-conditioning and emmission controls.



A gift from Rampy Chevrolet

The future for Huron's Auto Shop looks promising. An addition to the Auto Shop is being considered, after a report by the University of Michigan Bureau of School Services which showed that the automotive facility should be enlarged 3 times to meet requirements for a good vocational program.

Reasons for the addition were larger enrollment, students turned away, overcrowding, and poor working conditions.

With a growing demand for automotive personnel, the addition will be of great value to the automotive program.

'We're not as equipped as we need to meet the educational needs of students in the metals area, but we are making improvements.'

Roger Dick

Full Circle meets in the Graphics room.

VOCATIONAL ED. PROGRAM

Expanding new courses are growing popular among students in the Vocational Education Department. Automotive, Graphics, Electronics, Metal and Architectural drafting classes have been increased from one hour to two hour periods a day.

Popularity increases because it seems fewer students plan on going to college and intend to begin working after graduation from high school.

Not all students are from Huron. This is "Shared time county wide program," explains Vocational Education Chairman Roy Underwood, "students from Milan, Whitmore Lake, Dexter, Saline and Pioneer also are enrolled."

The purpose of these classes is to "Give students more opportunity to gain greater indepth occupational skills used on the job," stated Mr. Underwood.

Shaping Up— Fit For Almost Anything

ODE TO
BOBBY RIGGS

One Thursday night at
eight o'clock,
I watched Billie Jean beat a
chauvinist jock.
She took a racket in her hand,
and went to defeat the
loud mouthed ham.
Backhand to the left,
forearm to the right,
she gave Riggs an awful fight.

Finally Riggs began to tire,
when it was over King knew he
was a liar.
"A woman's place is in the
home," he said,
but Billie showed him, she cut
him dead.
All women know that it's a
crime,
that they don't get their equal
time.
It may be true that men are
stronger,
but the tennis game thoughts
will always live longer.

The Universal Language

Music, the universal language of mankind, is certainly one of the most popular subjects offered at Huron. Courses range from Symphony Orchestra to Music Appreciation, with over four hundred students participating. The performing groups, directed by Mr. Edward Downing, Mr. G. Villasurda, and Miss Ruth Datz, give several concerts throughout the year along with attending both District and State Festivals where they are judged on their performing levels. Huron groups have always done extremely well at festivals and this year was no exception; both Concert and Symphony Bands and Symphony Orchestra recieved all superior ratings. Cantondo and A Capella Choirs also recieved good ratings.

Being a part of a music group at Huron involves much time and hard work. To maintain their level of excellence each group rehearses daily along with occasional evening and after school rehearsals. But all the practicing has paid off, and Huron can be proud to have one of the finest music programs in this state.

For Lisa Reed

When she smiled
it was
Christmas or
summer—
everyday. a smile that
laughed
made us want to
keep her
forever. . .
she was
Fourth of July sparklers,
a strong boat on
unfair waves.
Kittens
in her arms,
on her lap. clarinet
music.
Songs inside of her. . .
Lisa.
Her footsteps shine
even
now.

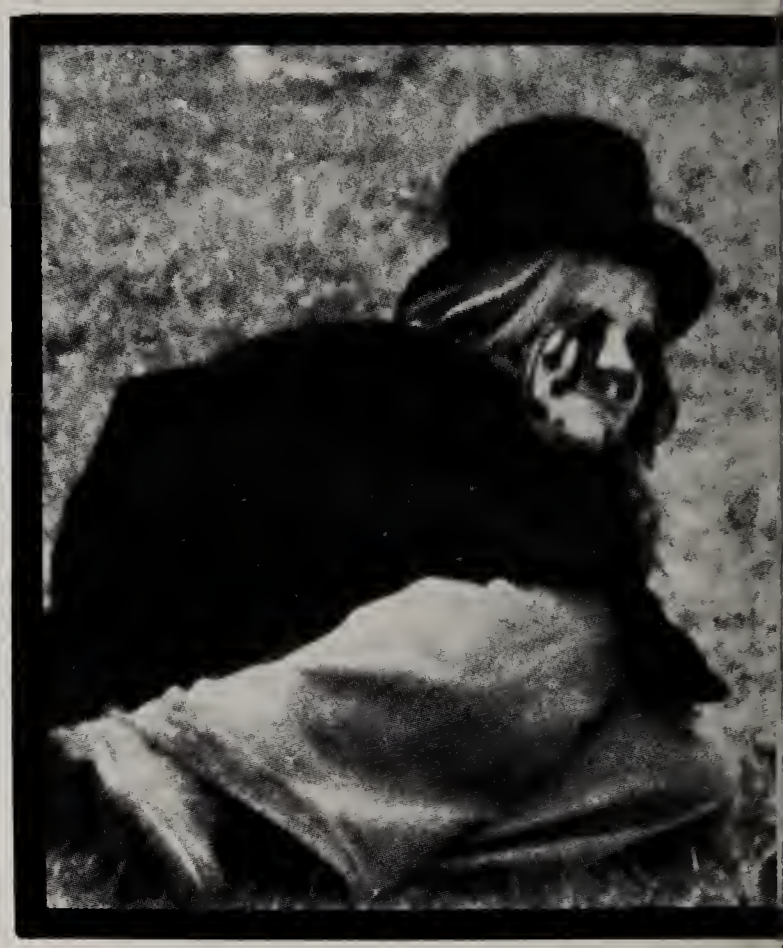
On The Pedals Of Joy

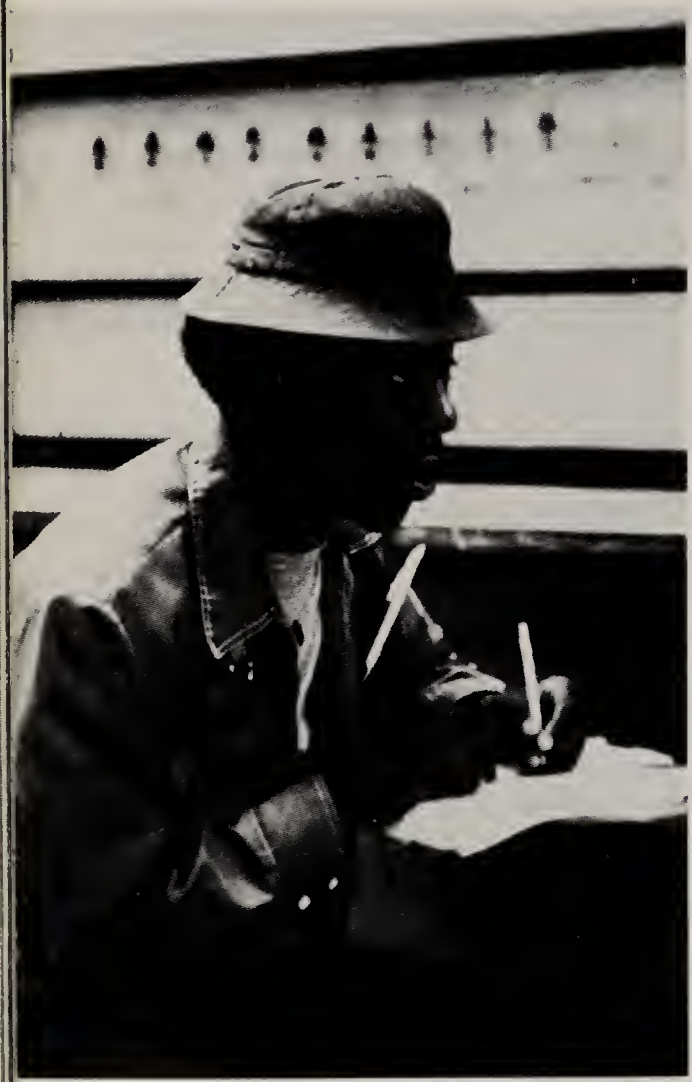
Life Wheels By

Today Is The Tomorrow

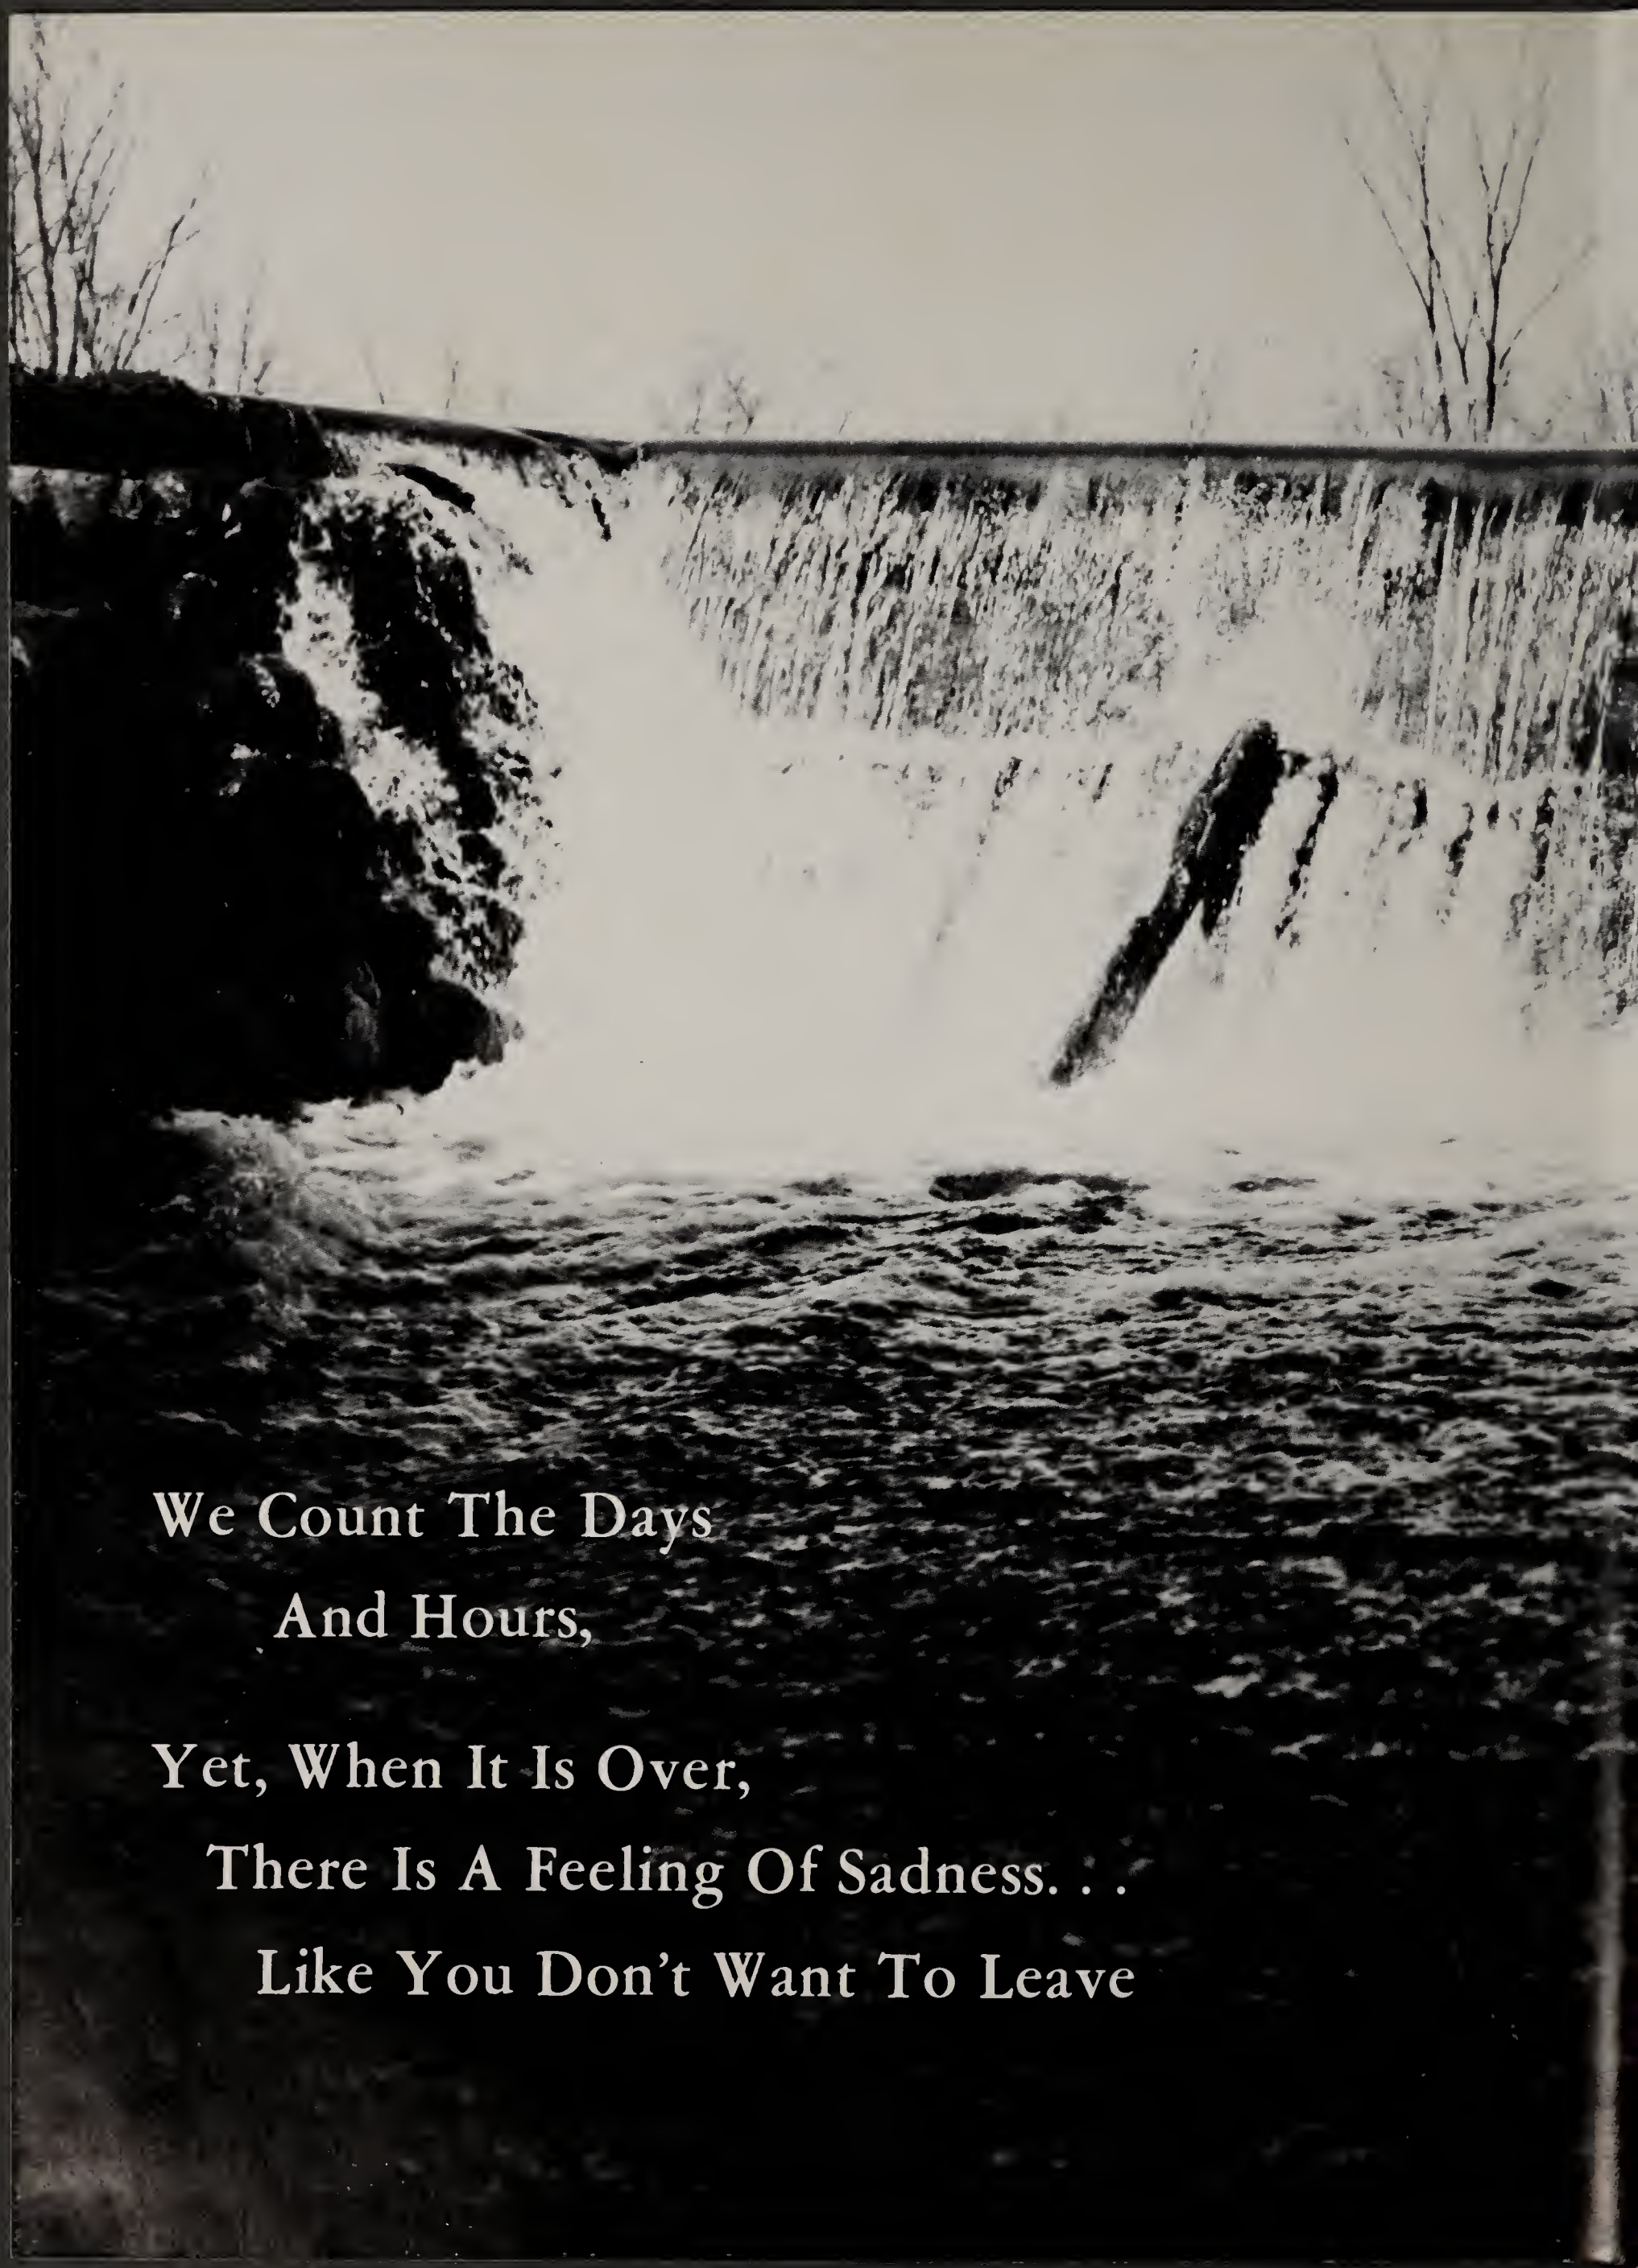


You Worried About Yesterday

Tell Them
How Much You
Like Them. . .



. . .And Say
How Much You'll
Miss Them
When It's
Time To Go



We Count The Days
And Hours,

Yet, When It Is Over,
There Is A Feeling Of Sadness. . .
Like You Don't Want To Leave

. . . a little older when you leave, even affected by it.

"You say he's going on eighteen. He's practically a man, isn't he? So he'll know his way around soon."

"I don't know my way around yet," said Simple.

—L. Hughes

Outside,
the sky goes on for miles.

—D. Gray

. . . and ends with a fire cracker and karate classes. . .
